## QWIKLABS ACCOUNT

- You can create it using this link:  
<https://www.qwiklabs.com/>
- Make your Qwiklabs account profile public
  - ☐ Sign in to Qwiklabs and click the my Learning icon.
  - ☐ In the upper right, click View Public Profile.
  - ☐ In the "Share your badges with a public profile" dialog box, click Make Profile Public.

- Provide School of Engineering , CUSAT (change accordingly)as the referral institute.

Have you done any previous Google-Cloud related programs?

For those who have participated in any previous Google-Cloud related programs

- please create a new Qwiklabs account using a different email for this program because google doesn't encourage in doing more than one program and using the same account you will not be qualified for the rewards. !!

## GOOGLE CLOUD SKILL BADGES

### What is a skill badge?

An exclusive digital Google Cloud skill badge demonstrates your growing Google Cloud recognized skillset.

### How do I earn a skill badge?

Show your cloud skills by completing a series of hands-on labs, including a final assessment challenge lab, to test your skills and earn a Google Cloud skill badge to share with your network.

Show us your skills  
by earning all of them!
